REMARKS

This second Preliminary Amendment is being filed to correct a claim numbering error in the initial application and in a first Preliminary Amendment filed June 26, 2001. In the initial application, claim 20 was mis-numbered as claim 21. In the first Preliminary Amendment, the claim number presented in the clean version of the claim was mis-numbered while the marked-up version reflected the correct claim number.

In order to avoid further confusion, claims 20 and 21 are canceled herewith. New claim 22 is presented herewith and includes the same recitations as the canceled claims. After this second Preliminary Amendment, claims 1-19 and 22 are now pending in the present application. Examination and allowance of all claims is respectfully requested.

*Charge Deposit Account*

Please charge our Deposit Account No. 02-2666 for any additional fee due in this matter.

Respectfully submitted,
